SUCCESSFUL LIVES

Respect
We always give due regard to individual's rights and feelings, treating others as we wish to be treated.

Integrity
We are honest, with strong moral principles. We do the right thing, even when nobody is looking, or when the right thing is hard to do.

Determination
We don't give up on difficult tasks, as we believe that effort, rather than talent is the key to success.

Equality
We believe in more than just equal access. To us equality means helping those that need it most to overcome barriers preventing their success.

Self-management
We develop individuals who take responsibility for effective use of their time, resources and behaviours, to help them reach their full potential.

To get an exceptional you must:

Complete all off the tasks to an exceptional standard.

Presentation must be exceptional, and all subheadings must be underlined with a ruler. The same expectations are expected in your knowledge organiser as in your class book.

You must clearly label which week you are completing at the start of your task.

Eg. Week – 4

To get an exceptional in maths you must ensure you complete your additional nugget and this should be labelled.

Eg. Additional Nugget – Two step equations
